Ain't No Stoppin' Us Now

Ain't no stop-in' us now
Ain't no stop-in' us now

We're on the move

We've got the groove

There's been so many things that's held us down

But we won't let nothin' hold us back We're

I know you know someone that has a negative vibe

But we won't let nothin' hold us back We're
But now it looks like things are finally comin' around.

We're polish-ing up our act... Yeah

And if you're tryin' to make it they only push you aside.

We're polish-ing up our act... Yeah

I know we've got a long, long way to go.

If you've ever been held down before... I

They really don't have no where to go. Ask

If you've ever been held down before...
And where we'll end up

know you refuse to be held

1. I don't know down any more Yeah

2. They don't know down any more Yeah

Don't you let noth-in' noth-in' Stand in your way

To Coda

I want you all to listen listen

To ev'ry word I say ev'ry word I say

Ain't no stop-in' us now We're on the move
