Diggin' on James Brown

A
I been through all them changes; a lot of stuff came down
I dealt with all the issues; you might say I've been around
But back when I got started, there was a righteous sound
It doesn't matter what I've been through --
I'd still be diggin' on James Brown

B
You've know, the more things change, the more they stay the same
It may be a different age, but I'm on the same page
'Cause one thing that I've found --
I'd still be diggin' on James Brown

A2
I had an attitude adjustment, I did some psychotherapy
I helped myself to some 'self-help,' I dabbled in some E.S.P.
Though my world is ever-changin', and I've moved from town to town
Doesn't matter where I've been to --
I'd still be diggin' on James Brown

B2
You know the more things change, the more they stay the same
It may be a different age, but I'm on the same page
'Cause one thing that I've found --
I'd still be diggin' on James Brown

C
You've got your Rap and your Disco, you've got your drum machines
You've got your R-rated Gangsta, you've got your grungy scenes
You've got your state of the art, you've got your digital sound
It doesn't matter where it's goin' to --
I'd still be diggin' on James Brown
Take it to the bridge, it'll get you where you live
When there's water all around, you can still get out of town
And still be diggin' on James Brown

(Sax solo)

You know the more things change, the more they stay the same
It may be a different age, but I'm on the same page
'Cause one thing that I've found --
I'd still be diggin' on James Brown

I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
Go ahead, James -- Fred -- Pee-Wee -- Maceo
Help James out a little bit right here -- You!

I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
I'd still be diggin' on James Brown
