Use 1/3 and open spit valve

Slow glissando

Organ intro

Organ solo
What is Hip?

A So you wanna jump out of your trick bag, and ease on into hip bag, but you ain't just exactly sure what's hip. You started to let your hair grow, spend big bucks on your wardrobe, but somehow you know there's much more to the trip.

B (What is Hip?) Tell me, tell me, do you think you know? (What is Hip?) If you're really hip, the passing years will show. You're on a hip trip -- maybe hipper than hip. What is Hip?

C You became a part of the new breed, been smokin' only the best weed, hangin' out with the so-called hippie set. Been seen in all the right places, seen with just the right faces. You should be satisfied, but still it ain't quite right.

D (What is Hip?) Tell me, tell me, if you think you know. (What is Hip?) If you're really hip, the passing years will show. You're on a hip trip -- maybe hipper than hip. What is Hip?

E (Hipness is) Wah (what it is). (Hipness is) Yeah (what it is). (Hipness is) Wah-hah (what it is), and sometimes hipness is what it ain't.

F You done went and found you a guru in an effort to find you a new you, and maybe even managed to raise your conscious' level while you're startin' to find the right road. There's one thing you should know: what's hip today might become passe.
