WILLOWCREST

Bob Florence's "Willowcrest" was recorded several times by both Bob Florence and Buddy Rich. Buddy Rich was first to record the tune on **Buddy Rich Big Band** (1966). His version is briefer than Florence's version on **Jewels** (1979).

The ink alterations seen on this arrangement – notably some added measures, mostly to allow for drum solos, and the altered ending – are valid for both versions. Possibly Buddy's band read the same chart but eliminated some of the repetitive passages.
